Jordan Patterson Manager of Special Programs at IndyGo	Jordan Peterson shared an in-depth presentation of new route changes along IndyGo lines affecting the Southeast side. Jordan voiced that IndyGo is aware that they have been doing their riders a disservice because of the ongoing shortage of drivers that they have. Jordan stated that IndyGo is trying to provide	To contact Jordan: jpatterson@indygo.net For more information about route changes go to: https://www.indygo.net/routes/ For more information about job opportunities with IndyGo go to: https://indygo.net/employment

more reliable and efficient service for riders as a result of these ongoing problems.

The presentation covered:

- Impacted Routes
- Frequency Changes
- Routes 12&13
- Route 16
- Route 26
- Route 31
- Route 14, 26, 55, & 56.
- Southeast Realignment
- Hiring information

Our community members in attendance had many questions following this information.

Edgar asked how quickly IndyGo would be able to reassess transit lines considering the new Amazon Distribution Center and the Post Office Distribution Center that will soon be a massive job center for many people in our community. Jordan was unsure how quickly they would be able to make changes but said that IndyGo is able to reassess routes three times a year based on community recommendation and need. Jordan made a note and will report this concern to IndyGo.

Multiple community members in attendance asked if any new route with replace old Route 55 which served traffic east of English Ave. The main concern here is that residents now lose safe access to Kroger via bus route and will have to walk 20 minutes on roads with no sidewalks to access the grocery store. Jordan made a note and will report this concern to IndyGo as well.

Emily asked for a status update on lowering the road under the SSX bridge near Rural Street on behalf of Twin Aire resident Judo

	<p>Dell. Jordan did not have an update yet, but possible construction could begin during quarter 2 of 2024.</p> <p>Kate Voss asked about grants for non-profits and when applications go out for free bus passes. Jordan stated they will have a date soon but to expect it this summer.</p>	
<p>Emily Djabi</p> <p>SEND updates</p>	<p>Six Days with Send will be happening from August 19th-August 24th. Attendants should arrive early in order to pass through security and get seats on time!</p> <p>Emily Djabi reminded residents that this meeting will take place of the monthly TANC meeting.</p>	<p>To contact Ike McCoy: ike.mccoy@indy.gov</p>
